

Identifying Physical Properties

Use the list of physical properties in your notes to describe the substances at each station.

| # | Name of Substance | List all physical properties | Which physical property is unique to this sample? |
|---|-------------------|------------------------------|---|
| 1 | | | |
| 2 | | | |
| 3 | | | |
| 4 | | | |
| 5 | | | |
| 6 | | | |
| 7 | | | |
| 8 | | | |
